Herkkumaa's preservative-free tomato ketchup gets its delicious flavour from the large amount of tomato: as much as 174 grams of fresh tomatoes have gone into every 100 grams of ketchup. Because we only use tomatoes of the highest quality, we don't cover the authentic taste of tomato with unnecessary spices, such as peppers or extracts.

Ingredient Statement

Tomato(71%), sugar, spirit vinegar, modified corn starch, salt, thickener (xanthan gum), preservatives (sodium benzoate, potassium sorbate).
